

Horticulture

Horticulture is an expanding industry. Gardening, Green-Keeping, Landscape Gardening, Garden Centres and Plant Nurseries are other good opportunities for employment.

Foundation Learning

Skills for Working Life – Introduction to Horticulture Entry 3

This programme will give a basic introduction to the skills needed in Horticulture.

Foundation & beyond...

NPTC Certificate in Horticulture Level 1

This Level 1 programme covers over 50 aspects of Horticulture and Landscaping.

NPTC Certificate in Horticulture Levels 2

The skills and techniques learned at Level 1 are enhanced and re-enforced. Work placement is provided to develop confidence and give a broad range of working environments.
