

A National Centre of Excellence

### June – July 2021

We have finally made it to the end of this academic year, and it's been interesting to say the least. Covid has created lots of challenges, but as usual, our children have remained upbeat and positive throughout. They really have been amazing this year, and as a team, we could not be any prouder of them. From everyone here at Dickson house, have a lovely summer and see you on the 6<sup>th</sup> September when school reopens.

It's time to say a fond farewell to Barry who will be transferring over to College in September. We have loved having him in Dickson house and the North flat, and can't wait to see where his future takes him. Good luck and keep in touch.

## Welcome to Doncaster Deaf Trust Children's Homes Newsletter

We would like to welcome Dariens to the Dickson house family. Dariens started in June and has already settled in remarkably well.

Colleen, who has worked in Dickson House and the North flat since 2008 is retiring from her role as waking night staff. She will be sadly missed.

Thank you for everything that you have done over the years, and enjoy your free time to catch up on your sleep!

A National Centre of Excellence

We have been keeping fit by going to our local athletics club, riding our bikes, going for walks and playing in the garden and park.

**Doncaster Deaf Trust** A National Centre of Excellence

Sudio, who left In June, has been a regular visitor. She has been for tea and to keep in touch with her friends. Everyone is always happy to see her, she is the big sister of the house.

We have also been practicing our life skills for the future.

### We all went bowling at the end of term and had a great time.

Doncaster School

for the Deaf

The boys in the flat enjoyed their pamper session.

We made some bird feeders for the birds and hung them in our garden.
