Primary Sport

Primary have been active and sporty again for the start of the summer term. All played really well at the tennis competition, winning lots of their individual matches and showing how much they have improved their skills and confidence since last year. They also entered their first hockey competition. Although they had never played it before they all tried their absolute best, winning some matches and showing great teamwork...

Miss Taylor was very proud!

Secondary residential—Low Mill

Secondary pupils had their own challenges on the residential trip to Low Mill. They all worked together fantastically, coping superbly with activities well out of their comfort zone - canoeing, gorge scrambling, zip-lines and more! Well done to all and thanks to Miss Goodman, Mrs Cartlidge, Mrs Cook, Mr Nelson, Ms Martinez and the Low Mill staff for their help.

Supporting

2018

On May 3 the Tour de Yorkshire arrived in Doncaster - and the whole school went out to cheer on the women's race as they sped to the finish line.

Primary residential—Whirlow Hall Farm

Primary had their own residential trip this year, visiting Whirlow Hall Farm.

The trip gave them some real experiences of activities on the farm such as egg collecting and checking on the newborn baby piglets. They also got to ride ponies and sleep in an old farmhouse.

And after all the excitement and hard work, primary pupils especially enjoyed a fun visit to McDonalds.

Ofsted visit our school

Residence news North Flat

Pupils showed the inspectors lots of excellent examples of how well they learn in our school, impressing them with their calm and focused interest, their hard work and their understanding.

The school Council also gave confident answers to all the inspectors' questions - well done!

(our Ofsted Inspection Report should be published next month)

After lots of excitement and planning, some of our residence pupils have had made the move into the newly refurbished North Flat.

As well as having their say on their new bedrooms, pupils have helped choose some fab entertainment for their new base - with fantastic TV and entertainment rooms and a Pool Table on the way too...sounds like the place to be!

*(our residence is **Ofsted Outstanding**. We would like to congratulate the Care Team and pupils for their recent Outstanding Ofsted rating)*

Y11 independent travel + shopping

Some of our Y11s have been practicing their independent travel and shopping

skills with bus journeys to town, meeting up at shops and cafes and dealing with paying shop staff... ..eating

some nice cakes too!

Exams 2018

Well done to Y11 pupils for tackling the start of their final GCSE exams. They have worked brilliantly so far with exams in maths, RE, science and 2 full days of art. Only a few more exams to go - then the long wait til results day... good luck!

Dates for next term...
