

## Welcome to Doncaster Deaf Trust Children's Homes Newsletter

**Welcome to our first news letter of this academic year!!!**

**We returned in September and it has been non stop! We have been out and about and have taken part in a lot of different spooky and spectacular activities. We have been to the fair, the circus, astrobound, the war museum, out for tea, swimming, bowling, the cinema, the park, the shops and had our very own halloween party. We have celebrated birthdays and strengthen friendships. We have focused on our independent living skills and we have been to school too! All this fun has been hard work so we are going home for a rest before we return again in November!!!**

**Happy  
Halloween**
