

# Aspire to Be

Adult Specialist Employability and Skills Service

Specialist employability and skills service that support adults who are deaf/hearing impaired and those with learning disabilities into employment using successful tried and tested methods

If you are unemployed and not on any other DWP funded programme and would like support gaining the skills needed to look for and gain employment and you are not in education then look no further.

Our service includes:

- Employability, - CV writing, Job search activities, job application support, interview techniques, work experience (volunteering) and work trials. We also do sector based learning incorporating job carving. Independent travel support
- Motivation and confidence - Flip it, looks at what you can do and highlights your strengths.
- Well being - looks at health & fitness and budgeting
- Employer engagement support - We look and work with employers who see you as an opportunity not a challenge
