

June – July 2023

Welcome to the final newsletter of this academic year. We have had a great term, making memories and having fun. We have continued to attend our local clubs of choice, such as dance club, football training and specific goalie training. We have been swimming at Doncaster Dome, bowling, for walks at lakeside, out for meals, to the gym, practising our independent skills, attending the 'Feel the Music' show in Leeds to celebrate Deaf musicians and on a barge trip, stopping halfway for fish and chips, for our end of term activity. In September, there will be a few changes, Plamen, who has been with us since 2019 is moving to college - we wish him the best of luck, and Lacey is moving to the North Flat.
