June – July 2018

We have really made the most of the nice weather this term. We have been out and about much as possible. We have visited a range of parks, watched the horses, had water fights, played in the paddling pool, been swimming, trampolining, athletics, bowling, to the cinema, completed the labyrinth challenge and got into the football fever that seemed to take over the world! We have also focused on a range of equality and diversity topics as part of our weekly meetings. It has been a great term but we all need a holiday now to recover!

We now have a pool table in the north flat, everyone in dickson house and the flat uses it, its fantastic!

Fun in the park!

Discussion topics this term: - healthy eating, teeth brushing, sugar content of food & drinks, keeping active and staying safe in the summer....

Fun at the trampoline park, one of our favourite places to go!
